PTA

We are delighted to announce our next Fund-Raising venture towards our second goal for this year for our school and prioritised resources -

**the on-going replenishment of core reading books and  
the purchase of new Novels for P4 - P7 classes.**

As a target, we will need to raise between now and the end of June, in the region of £5,000.

**Wednesday 28th February**

Shane McCann has kindly organised for us to have an **'Inflatable Speed Radar Target'**

which will calculate the speed any pupil can kick a ball or throw a ball through it.

*Sport your  
craziest hairdo to  
school*

**Contribution per pupil: £2 for 3 tries.**

*Football for  
fastest speed in  
each class!!*

We will reintroduce our super successful **BBB (Bacon or Banger Butty Break)**

**Cost per BBB per pupil: £2.**

**Minimum contribution in total for 28<sup>th</sup> February fund raiser above,  
£4 per pupil.**

Thank you in advance everyone for your continued support!
